

WHAT IS PROVIDED IN YOUR COTTAGE

We love to hear guest comments about our well-equipped cottages.

The kitchens have a range of pantry items for you to use (such as salt and pepper, cling film and tea towels) as well as a large selection of pans, bowls, chopping boards and cutlery.

In our pictures below you can see the Joseph Joseph kitchen utensils and Kuhn Rikon pans, which are supplied as standard.

On the following pages is a list of items you can expect in your cottage when you stay with us at Wallops Wood.

We have a list of baby and children's items for you to borrow during your stay and these items are available on a first-come, first served basis. You can view the list on our website [here](#), and reserve items by [emailing](#) us.

If you'd like to borrow accessible or dog equipment, please see our other lists here: [accessible equipment](#) and [dog equipment](#).

We provide one bath towel and one hand towel per guest, please bring your own towel for the hot tub and swimming pool.

You may also want to bring a robe and flip flops for use when travelling from your cottage to the pool.
