

DOG EQUIPMENT

While bringing your dog's own bed is recommended to help them feel at home, you may not have space in the car. If this is the case, we can provide different sized dog beds, crates, leads and collars which can be pre-booked and placed in your cottage ready for your arrival.

Take a look at the list below and [email us](#) if you would like to borrow any of the equipment.

Please note that Wallops Wood Cottages cannot be held responsible for any injury or damage caused by use of this equipment, toys or treats.

Please respect any items used, thank you.

DOG SHOWER

There is an outside dog washing area with hot and cold water in the car park for rinsing those muddy paws, and a towel is provided in the dog welcome basket. Please don't use the bath or showers in the cottages to wash your dog or any of the other towels provided in your cottage.

DOG WELCOME BASKET

Pets are welcome in all of our cottages and dogs receive their own welcome pack! This includes:

- Complimentary toy to keep - we hope your dog will enjoy chewing and playing with this toy in your enclosed garden or on our large lawn
- Complimentary Wallops Wood tasty treats
- Blanket and two sofa throws - we know keeping your dogs off the furniture can be a challenge, but please use the throws provided to help us keep the cottages looking as good as they do for our next guests
- Towel - we have installed a dog shower with adjustable temperature control in the car park area to clean mucky dogs. Please don't use the bath or showers in the cottages, the fur would clog our drains. Thank you!
- Holiday tags - attach the tag with our contact details to your dog's collar just in case they run off. Please do remember to take it off your dog prior to departure so we can use it for another doggy resident!
- Poop scoop and bags - there's a dedicated waste bin in the car park
- Bowls - water and food bowls so you don't need to bring your own, perfect!
- Dog walk suggestions - you'll find laminated OS maps in the cottage and a torch for your evening stroll. We also have 7 laminated sheets with walks direct from the cottage door including local dog-friendly pubs
