

CHILDREN'S EQUIPMENT TO BORROW

We are delighted to offer children's equipment to borrow during your stay at Wallops Wood. This is a completely free service and item(s) will be placed in your cottage ready for your arrival. You are welcome to reserve any of the equipment by contacting us (details below). Please ensure that you book the item(s) you need ahead of your stay as items are offered on a first-come, first served basis.

- All equipment is cleaned and sanitised after use, checked for any damage or breakages
- Wallops Wood cannot be held responsible for any misuse or accidents that may occur (please see our Terms & Conditions for further details)
- Wallops Wood cannot be held responsible for any injury or damage caused by use of this equipment
- Please respect items used so that other guests can enjoy them

BABY EQUIPMENT

Baby Bath

A comfortable baby bath with an integral non-slip seat and plug for ease of emptying. 30x56cm (12x22")

Changing Mat

A 5cm (2") deep padded changing mat with tie which is solid but not heavy and therefore easy to move. Size 46x71cm (18x28")

Baby Monitor

A compact and rechargeable baby monitor with various settings including a built in intercom to help you keep an eye on your baby without having to disturb them. There are also built-in lullabies and a night-light to help your child settle

Moses Basket/Crib

Traditional baby crib with stand and pretty lace style bedding. Basket size 84x43cm (33x17"). Suitable for new-born or very young babies

BABY BOUNCER AND SLING

Baby Bouncer

A lightweight and comfortable Chicco bouncer for babies, with safety straps and padded sides for comfort and added safety. Suitable from new born to 6 months. Maximum user weight 20lbs (9kg)

Baby Sling

This soft and comfortable carrier can enable you to explore the area without the need for a buggy. It is intended for use from birth to 15 months. Maximum weight 26lbs (12kg)

BABY TOYS

Wooden Play Gym

A traditional style gym with colourful and interesting activities for babies to lay under. Can be adjusted to 3 height levels, enabling babies of various ages and abilities to enjoy. Can also be used as a standing or balancing aid. Recommended from 3 months. *Adult supervision advised, particularly for a child who can get into a crawling position*

Baby Gym

Suitable for little ones to use whilst either laying on their front or back, with lots of fun activities to encourage movement and coordination. Recommended from 3 months

Inflatable Baby Playnest

A fun and bright self-contained play environment, which is also stable enough for a baby to sit in whilst playing with other toys. The soft fabric makes it an ideal and safe rest area

Infant Toys

A selection of colourful soft and plastic rattles some with cute characters, others with fun sensory additions

BABY WALKERS

V-tech Baby Walker

An imaginative and action packed sturdy baby walker with a variety of activity attachments to keep toddlers entertained. Suitable from 6 months

Baby Walker

This height adjustable walker is ideal for younger children and those who may not yet be stable on their feet. The padded high backed seat offers comfort and security. Children can enjoy the activities on the front section or remove them to leave a tray, ideal for their own toys or for snack time. Suitable from 6 months up to a maximum weight of 26lbs (12kg)

BABY WELCOME PACK

Included as standard

For bookings including babies/toddlers a welcome provision pack will be in the cottage on arrival

Includes:

- Age appropriate nappy
- Nappy sacks
- Reading book
- Rubber duck

BED GUARD

This mesh bed guard is a great way to enable children to be more independent, whilst transferring from using cot to bed, but keeping them secure from rolling out. Folds down for ease of access, or for bed making, and is easy to move from one bed to another. Suitable from 18 months to 5 years

BOARD GAMES

Please let us know if you would like a board game - we will try to accommodate specific requests, depending on availability

Sshh! Don't Wake Dad!

2-4 players aged 5 years and over –can you reach the fridge and win the chocolate cake without waking dad?

Logo: What am I?

3-6 players or in teams suitable from 8 years – no questions, just draw, guess or describe the products and brands on the challenge card

Articulate

For 4 players or more in teams aged 12 years+. A simple, fast and hugely entertaining game. Describe as many words as possible to your team-mates in just 30 seconds, without saying rhymes or sounds likes!

Logo Board Game

2-6 players from 12 years, 30 min game play. Identify images and answer questions based on logos, products and packaging of the UK's most well-known brands

Logo: Billionaire

2 or more players or teams from 12 years. Test players with fascinating challenges. Knowledge, cunning and cleverness are all required to win this witty, wiley game

BUGGIES

Maclaren Buggy

Compact but sturdy and suitable for very young babies. It is lightweight and therefore easy to take out and about whilst exploring the area. Maximum user weight 33lbs (15kg)

Jane Travel System

Jane Slalom Pushchair with ride on board. This 3-wheeled buggy is lightweight and therefore easy to manoeuvre. It has a height adjustable handle-bar for comfort and added foot rest and seat harness for safety. The pushchair is suitable from birth to 4 years. The surfer platform which can easily be added is the safest, most practical way of fitting a fun extra place for a 2nd child to the pushchair. For use from 3 years old to a maximum user weight of 20kg. *Note: surfer is not suitable for running with, or for skating on*

CLEANING PRODUCTS

Included as standard

We believe in caring for our guests and the environment, therefore most of our cleaning products supplied are by Ecover. A selection will be in the cottage ready for your arrival to use during your stay and there will also be a bottle of anti-viral spray which is effective against coronavirus (not an Ecover product)

TRAVEL COTS

Graco Toddler Travel Cot

With 2 wheels and folds down easily with a push-button mechanism. Approx measurements L x W x H: 100 x 73 x 90.5cm (39 x 28 x 36")

Graco Multi-Coloured Pack and Play Travel Cot

Travel cot with a push-button fold. Weighs 8.95kg. Approx measurements L x W x H: 102 x 73 x 74cm (40 x 28 x 29")

Roba Navy/Red Cot

Narrow cot which is longer than most other travel cots. Padding around the top frame for added safety. Approx measurements L x W x H: 119 x 58 x 61cm (47 x 23 x 24")

Chicco Red/Blue Large Cot

Large sturdy cot suitable for slightly older babies or toddlers, it is also big enough to be used as a temporary play pen. Approx measurements L x W x H: 122 x 61 x 61cm (48 x 24 x 24")

HIGH CHAIRS

Chicco High Chair

Height adjustable high chair with a removable tray, five harness points and easy to clean. Can neatly fold away. Suitable for 6+ months

Adult supervision recommended

Cosatto Mr Fox High Chair

Suitable from birth to 15 Kg (approximately 3 years). Adjustable seat with wipe-clean padded cover, and calf support, fully removable seat pad and trays for easy cleaning. Safety harness and seat pommel prevents seat slip-downs. Folds flat and free-standing with handy tray storage. *Adult supervision recommended*

Stokke – Tripp Trapp High Chair

Complete high chair system with high backrest and baby rail. Cushions provide added comfort and protection. Suitable for 6-18 months

Adult supervision recommended

KITCHEN EQUIPMENT: 1

Formula Milk Powder Dispenser

With 4 detachable compartments this dispenser can make a day out easier and you need only take what you require, either as powder or prepared. A funnel/pourer on the top prevents spillage

Tommee Tippee Steriliser

A convenient electric steam steriliser which takes only 5 minutes to sterilise six bottles. BPA-free. *Caution: Burning hot steam and boiling water when opening lid*

Microwaveable Steam Sterilisers

A quick and easy to use steriliser. Just add water to the bottom, add bottles, close the lid and secure with lock. Microwave for 5 minutes. *Caution: Burning steam and hot water when opening the lid.* Can also be used as a cold water steriliser. Fill with water and add sterilising tablets (following tablet instructions)

KITCHEN EQUIPMENT: 2

Mini-Kitchen Chopper

Ideal for preparing meals for more than one child or for children who are a little older. Can chop, mix, stir, blend, slice or shred and is perfect for fruit or vegetables. *Sharp blades, intended for adult use only*

Tommee Tippee Electric Food Blender

Compact blender designed to blend small portions, ideal for a baby or young child. Two speeds for blending fruit and vegetables to a smooth puree or a slightly chunkier texture

Braun Hand Blender

Compact blender with attachments to chop, whisk or blend food making it ideal for preparing baby or toddler meals. *Caution: Do not overfill this product*

KITCHEN EQUIPMENT: 3

Slow Cooker – various available

A great way of producing meals either just for the children or the whole family, freeing up your time to relax in the knowledge your meal will just need dishing up

Water Filter Jug – various available

Fill and keep in fridge, ideal for always having some cool water available for babies and children

PUZZLE TOYS

Wooden Alphabet and Numbers Frame

Abacus-style frame of double sided flip-flop blocks, some with letters and pictures and some with numbers and the number as a spelt word. Easy to move around and suitable for children aged 12+ months. *To be used under the supervision of an adult*

Wire Bead Roller Coaster Maze

Coloured wooden beads to move or race along the track. Suitable for 18+ months

Foam Jigsaw Mat

Large jigsaw pieces made of firm, lightweight foam making it easy to move around. For slightly older children it can be used as a jigsaw game or as a play mat but due to there being no sharp edges it is also suitable for very young babies

SEATS, BOOSTER SEATS AND STEP STOOL

Bumbo Floor Seat

Comfy firm padded seat with a high back for support. The seat is contoured to fit a baby's posture. Suitable for young babies who are able to sit up unaided. *To be used with adult supervision*

Safety 1st Booster Seat

Solid plastic booster seat with 3-point harness. Rounded edges throughout, meaning no sharp corners to worry about. *To be used with adult supervision*

Fisher Price Booster Seat

Sturdy booster seat with harness which holds a child securely and comfortably. Easy to remove top allows children to either sit to dine or to do activities whilst secure. Smooth plastic arms and a high back for added safety and comfort. Suitable for 6 months and over. Max weight 26½ lbs (12kg). *To be used with adult supervision*

Beco Step Stool

Eco-friendly stool made from natural plant fibre plastic making it a tough and durable platform. Embossed top to give extra grip and rubber feet to prevent sliding. Can be used with a trainer seat or on its own to help encourage a toddler to use the toilet independently. *To be used with adult supervision*

SIT-ON TOYS

Rocker / Sit on Duck

A bright and very soft rocking duck with a high backed seat to allow very young children to enjoy. The seat is just 22.5 cm (9") from the ground meaning it is easy for toddlers to get on and off themselves. *Supervision is recommended*

Inflatable Hopping Horse

Rody the cute, super strong thick rubber (latex free) and completely soft sit on and bounce horse. Lots of fun and can help improve coordination & balance. Suitable for 2-5 years. *Supervision is recommended*

SIT-ON AND RIDE TOYS

Sit to Race Smart Wheels

Fun and durable sit on racing car with a removable dashboard which enables younger children to play safely on the floor. Suitable for 6+ months. Slightly older children who are able to sit up unaided can sit on and either be pushed along by the handle at the rear or can be self-propelled. Recommended for 24+ months. *Supervision recommended*

Sit On and Ride Toy

Sturdy ride on toy with a rear back rest for added support. Fun light and sound activities on the dashboard, and the seat opens for storage. Suitable for 12+ months. *Supervision recommended*

Wheely Bug

Sit and ride toy, purposely designed with a low padded seat for very young children as well as slightly older toddlers. Free spinning wheels mean the bug can move in lots of directions

TOILET TRAINING EQUIPMENT

Baby Bjorn Potty Chair

Sturdy potty with a high back, arm rests and completely smooth and rounded edges

Basic Potty - Various

Standard potties with a small back rest for comfort and a splashguard. Light and portable. Available in various sizes depending on child's age/height

Carry Potty

Useful for potty training or when out and about. Lightweight and compact with a small handle allowing youngsters to carry it, encouraging independence

Potette Plus and Liners

Lightweight and compact seat which can be used either as a potty if used with the legs down or as a toilet trainer seat with the legs up/out. These biodegradable leak proof liners have an absorbent pad that turns liquid into gel. Up to 3 liners can be pre-placed into the potette and they can be disposed of just like a standard nappy

Toilet Trainer Seat

This Thomas and Friends trainer seat is suitable for older children, is contoured to provide comfort and has easy to grip handles. Integrated splash guard to prevent leaks

TOY BASKET

Please ask if you would like a toy basket for your child

An age related basket of various toys, including soft, activities and books for children to enjoy during their stay. Please advise ages of children and inform us of any special requirements
