

DOGS WELCOME

We love dogs at Wallops Wood and all our holiday cottages and houses are dog friendly. Your dog is a member of the family and we hope your she will have just as much fun as you during your stay at Wallops Wood. Two pets are welcome in each cottage for a supplementary charge of £30 per animal to cover the additional cleaning.

While bringing your dog's own bed is recommended to help them feel at home, you may not have space in the car. If this is the case, we can provide different sized dog beds, crates, leads and collars which can be pre-booked and placed in your cottage ready for your arrival.

Take a look at the list below and [email us](#) if you would like to borrow any of the equipment. Please note that Wallops Wood Cottages cannot be held responsible for any injury or damage caused by use of this equipment, toys or treats.

DOG WELCOME BASKET

Pets are welcome in all of our cottages and holiday houses, and dogs receive their own Doggy Welcome Basket which includes:

- Complimentary toy to keep - we hope your dog will enjoy chewing and playing with this toy in your enclosed garden or on our large lawn
- Complimentary Wallops Wood tasty treats
- Blanket and two sofa throws - we know keeping your dogs off the furniture can be a challenge, but please use the throws provided to help us keep the cottages looking as good as they do for our next guests
- Towel - we have installed a dog shower with adjustable temperature control in the car park area to clean mucky dogs. Please don't use the bath or showers in your holiday accommodation as the fur clogs the drains. Thank you!
- Holiday tags - attach the tag with our contact details to your dog's collar just in case they run off. Please do remember to take it off your dog prior to departure so we can use it for another doggy resident
- Poop scoop and bags - there's a dedicated waste bin in the car park
- Bowls - water and food bowls so you don't need to bring your pet's own!
- Dog walk suggestions - you'll find laminated OS maps in the cottage and a torch for your evening stroll. We also have seven laminated sheets with walks which start from the front door, including local dog-friendly pubs
